

In a home fire,
can your family
safely escape in
just 2 minutes?

**Home fires claim seven lives every day, but you can help change that.
Join our national movement and pledge to keep your family safe
by taking 2 simple steps:**

**Practice your
2-minute drill.**

**Test your smoke
alarms monthly.**

This spring, American Red Cross volunteers will also *Sound the Alarm* in local communities by educating people about home fire safety. We'll connect virtually with families to help create an escape plan to practice their 2-minute drill and then partner with fire departments and community partners to install free smoke alarms by appointment, when it becomes safe to do so.

**Visit SoundTheAlarm.org/SoCal or call
619-354-9609 for more information or to request services.**
